special limited edition of 150 cl. Magnum bottlestasting notesOur Xmas Ale is a real feast of flavours! Brewed without the addition of spices, its lively and almost spicy character is due only to the fermentation and the clever choice of malts and hops. Smooth in the mouth, with a touch oof sweetness well balanced by the hops. All the caramel, biscuit and chocolate nuances follows each other, never being cloying, ending with a pleasant warming finish.abbinamentiA beer that can accompany the entire meal, ideal for a celebration dinnernotes
